They will then have the opportunity to see the winery, crushpad and barrel room, where they can test barrel and tank samples in the lab, punch down grapes in the open-top fermentation tanks, and sample fermenting juice. The day will finish off with a winemaker Q&A followed by an exclusive, 5-course family-style lunch, served with Coppola wines. Diners will enjoy a four-course tasting menu paired with Coppola wines as well as an array of winery-exclusive wines.

Coppola Winery also has fun activities to keep the kids happy during harvest. While parents enjoy wine-tasting, kids can have fun at their own **Kids Smoothie Tasting**. The winery's smoothie expert will blend the season's bounty of fruits into delicious and unique smoothies, where kids can help guess the flavors. Each child will also receive a coloring book of tropical and seasonal fruits. Kids can enjoy these smoothies every Saturday and Sunday starting September 1<sup>st</sup>.
