WINEMAKER'S NOTES

The 2017 growing season began with a good deal of precipitation, but after a mild spring, temperatures heated up and remained quite warm throughout summer and fall. The vintage delivered smaller than average clusters, which led to excellent concentration and high-quality fruit.

BLEND

Alexander Valley & Dry Creek Valley

Director's Cut Cinema is composed each vintage from Alexander Valley Cabernet Sauvignon and Dry Creek Valley Zinfandel. Because we've made single varietal Cabernet Sauvignon and Zinfandel for many years now, we understand the diverse profiles of different selections and know which work best when blended together.

With its unique wraparound label designed after a Zoetrope strip, one of the earliest moving picture devices, each Director's Cut label is a replica of a strip from Francis's personal Zoetrope collection.
