And the Oscar® Goes To...

The Academy Awards®, presented by the Academy of Motion Picture Arts and Sciences, is a recognition within the motion picture community for artistic and technical excellence in film and considered one of the most prestigious awards in the entertainment industry.

In 2017, five-time Oscar® winner Francis Ford Coppola announced a partnership with the Academy of Motion Picture Arts and Sciences to create two special wines for the Governors Ball, the Academy's official post-Oscars® celebration.

As Francis stated at the time,

"Filmmaking and winemaking are certainly two great passions of mine and by partnering with Sundance Institute and the Academy, I am now able to blend the two together in a big way." This partnership continues today, as illustrated with this year's special bottling included in the wine club shipment for our Amanti members.

As the 93rd Oscars quickly approaches, we celebrate Francis Ford Coppola and his family on their many nominations and wins over the years, earning them an esteemed place in Academy Awards history.

To celebrate their accomplishments in film, the Wine Family team would like to test your knowledge on some trivia. Sit back and pour yourself a glass of wine from your spring shipment and test your Coppola Academy Awards expertise.

1. How many Coppola family members have won Academy Awards? (Bonus points if you can name the artist and the film!)
2. Besides the Coppolas, what other filmmaking family has three generations of Academy Award winners?
3. Which Coppola-directed film is one of only two sequels to win Best Picture?
4. What two actors, directed by a Coppola family member, won the Academy Award for playing the same character?
5. Who is Francis's sister, and what two roles has she been nominated for (Best Supporting Actress and Best Actress)?
6. Who is Francis's nephew and what movie earned him the award for Best Actor?
7. What film was Roman Coppola nominated for Best Original Screenplay?
8. What was Francis's very first Academy Award nomination and ultimate win?
