Introducing H PARTY

This June marks the 12th anniversary of our annual H-Block Party held here in the oak grove. The oak grove is a favorite location of our viticulture team and they have named the surrounding vines after their nearest and dearest, their children. Every year we share this special location with you and this year our winemaking team has crafted a special wine inspired by the annual celebration.

H Party wine is a fantastic 2015 Cabernet Sauvignon from Alexander Valley, made exclusively for you. This wine is highlighted by aromas of ripe black berry and black plum with a touch of brown spice, that transitions to flavors of dark fruit with an espresso character from the oak. It is dark, rich in color, and absolutely delicious.

So, whether you are enjoying it with us in the oak grove or in the comfort of your own home, you will be included in our celebration. Through H Party wine we invite you to become part of the story of viticulture, winemaking, and family at Francis Ford Coppola Winery.
