

PINOT NOIR

OREGON 2017

Over the years, we have added new varietals or blends to our Diamond Collection, especially when we find unique vineyard sources. Our Diamond Collection Golden Tier Pinot Noir continues this tradition by being the first wine in the portfolio to hail from the state of Oregon. Grown in an appellation that experiences cool summers and mild winters, this Pinot Noir offers an exciting contrast to our California bottling, expressing a more delicate tannin structure and higher acidity that makes it elegant and well-proportioned. This wine reflects the essence of the appellation and flavors that make Oregon Pinot Noir so desirable.

SCENTS OF

Cranberry, raspberry, lavender

FLAVORS OF

Boysenberry, cherry, mocha

WINEMAKER'S NOTES

Light and stylish, the palate presents a freshly picked quality, lively acidity, and well-balanced oak sweetness. This vintage is fruit forward with a satiny supple texture and ripe tannins. Thanks to careful barrel selection, notes of grilled almonds and toasted bread are beautifully integrated into the flavor matrix.
